### Speeding Youth Cracks Up New Car On Palm Ave.

A speeding youth got off with few injuries when his 1962 Pontiac Tempest went out of control in the 8400 block of Palm ave. at a short time after midnight Friday night.

Eugene Darrell Reed, 22, of 7070 Broadway, L.G., took out a telephone pole, uprooted two palm trees and damaged a brick wall at the William Douglas home, 454 Palm ave., the California Highway Patrol said. His car was nearly demolished.

Taken to Grossmont hospital in a Lemon Grove Fire Department ambulance, Reed was treated for minor injuries of the knee and chin and released. The CHP estimated by skid marks that Reed was going 61 mph in a 25 mph zone. Jack Whiting of the CHP said he believed Reed lost control of the vehicle when he crested the hill where Troy st. meets Palm ave.

### L. G. Weather Unit Goes Into Operation

Lemon Grove's own weather station, located at the fire station on Central ave. was dedicated on Monday of this week. On Tuesday it went into operation as an official unit of the regional weather bureau located at Lindbergh Field.

Ed Koester, manager of the L.G. Chamber of Commerce said that a daily report of temperature and rainfall from here will help publicize one of the best climates in the world.

A. F. and Amy Sonka, long-time Grove residents are largely responsible for the unit. Koester said. Koester helped save the chamber money by building it himself. The Sonkas purchased the instruments and material needed, which were made into a weather unit which fulfills U. S. weather bureau specifications.

Fire department personnel will take readings. Now the unit contains a thermometer and rain gauge.

### 'Glue-Sniffing' Laws Planned

SAN DIEGO (CNS)—Approval of a law to make "glue sniffing" illegal in unincorporated areas of the county was voted Tuesday by the Board of Supervisors.

Charles T. G. Rogers, chief probation officer, asked the Board to pass an ordinance to make the practice a misdemeanor, and Sheriff Elmer Jansen, whose department will have to enforce the law, backed up the request.

Supervisors asked the county counsel's office to prepare the ordinance.

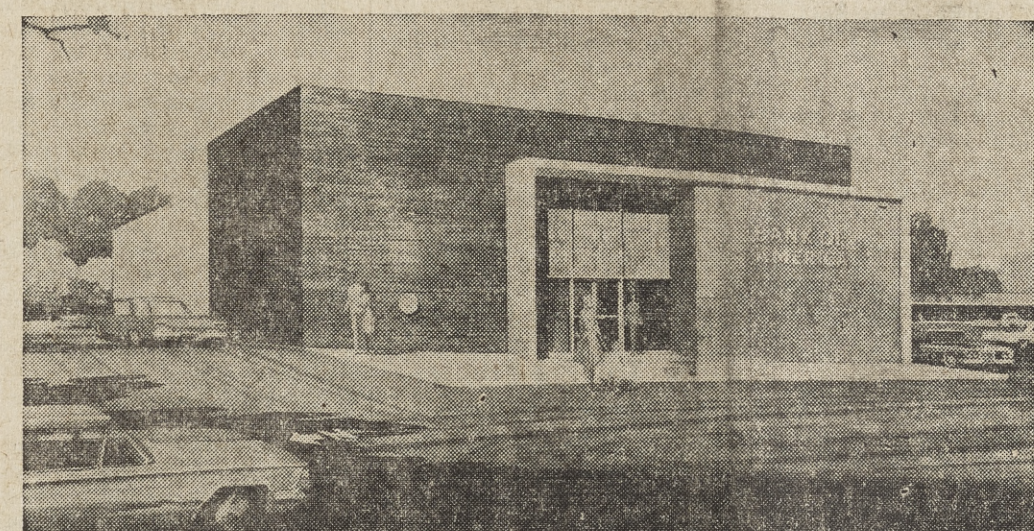

### Junior High Band To Be In Review

On Saturday, May 5, the Lemon Grove Junior High Band will participate in the annual Maytime Band Review at National City. Harry Weisgerber, director, stated this week that the band, winner of last year's Marine Corps Perpetual Sweepstakes Award, is in active rehearsal for trophy competition.

Each year the Lemon Grove musicians enter Class B division against 10 other junior high bands from Southern California. In the sweepstakes race they will compete with Class A-4 high school bands. Over 80 students make up the local marching unit.

Majorette Kathy Davis, leader of the marching unit, also competes as a twirling drum majorette. Accompanying the band will be the majorette team and the girls' pom pom corps, also competing.

Playing a high school level march, "Sounding Brass" by Maxwell, selected as the competitive march, the band joins the big parade at 10:30 a.m. It will move down Eighth Street from Highland and continues down Main to Kimball Park. Parents and other interested patrons are invited to witness the festival and cheer the local participants on to another victory.

NEW LEMON GROVE BRANCH of Bank of America will occupy this 7,800 square foot building, representing an investment of almost a quarter million dollars. Rising in the Lemon Grove Shopping Center on Imperial Avenue between Golden and Central Avenues, the ground-floor-and-mezzanine structure will have an exterior chiefly of terra

cotta and natural brick. The interior will be highlighted by exposed brick at the rear of the building and a terrazzo floor for the public lobby. R. E. Hazard, Jr. of San Diego is general contractor and Continental Service Company is supervisor for the project, slated for completion this fall.

### Public Schools Week To Be Marked Here

Lemon Grove schools celebrate the 43rd annual observance of Public Schools Week from April 30 to May 4 with varied programs and open house celebrations. Patrons are welcome to visit classes during this week set aside in California to honor the public schools of the state.

Emphasizing the theme, "The Public Schools - America's Heritage and Strength," the week is sponsored by the Grand Lodge of Free and Accepted Masons of California. Locally the Lemon Grove Lodge is sponsoring the traditional "essay contest" among fourth through eighth graders.

Thirty finalists have been selected from the hundreds of original essays entered in the annual theme contest. Winners at various grade levels will be announced at a special dinner meeting on Saturday at the Lemon Grove Temple.

### DR. CONLIN GETS S. STATE POST

Dr. Robert C. Conlin, 7616 Pacific ave., has been elected vice president of the Southern California Alumni Association of his alma mater, Palmer College of Chiropractic, Davenport, Iowa, at the alumni association meeting held at the Hollywood Roosevelt Hotel, Hollywood.

Dr. Conlin, president of the S.D. chapter, was nominated and elected because of his leadership in professional and alumni affairs.

### L. G. Boy, 4 Hit By Car On Ensenada St.

A four-year-old Lemon Grove boy who ran in front of a car Tuesday at 4:30 p.m., Richard Smith of 1839 Ensenada was reported to be in good condition at Grossmont hospital. He suffered a fractured left leg and bruises and contusions.

The California Highway Patrol said Richard ran out of his driveway into the path of an eastbound car driven by Sarah Lane, 21 of San Diego, who was not cited.

### You're Lucky If You Read Want-ads

Want to get in on the lucky deals? If you are a reader of this newspaper you may be luckier than you think.

There's nothing to buy or to sell. Just check our want-ads and profit.

There are free meals at Michael's in L.G.; free car washes at Violet Ray Car Wash in Lomita Village; free bowling and free lunches at L.G. Bowlero; free rose bushes at the Bradley Nursery in Santee; free tickets for kiddie rides at Kiddieland on Mission Valley Freeway and free brake service and chassis lubrication at Mark Hanna Service in S.D.

There are also a free suit cleaning job at Bonded Cleaners and free chicken dinners at Sherwoods in L.G.

All that is needed is to find your name in the want ad section. With your name will be the listing of the gift you are to receive. Nothing to buy. Nothing to guess. Just pick up your identification card at this newspaper and claim your gift.

### Nine More Programs May Go In Economy Cut-backs

Loss of summer school for 1,200 Lemon Grove school children may be the cost of the failure of the override tax election held here earlier this month. The vote was 1705 to 1489 and it denied the district \$90,000 in income for school operation.

School district trustees faced up to the reduced budget Monday night at the first meeting since the election and programs were cut wherever possible to bring the budget into balance.

To offset a budgetary shortage of approximately \$90,000 School Superintendent Byron Netzley supplied a list of 13 items which the trustees might whack off to keep the budget in balance. Knottiest of the problems was the summer school program which has been popular since it was instituted

several years ago. To resolve this, the board called an emergency meeting for Monday night at 7 p.m. at the district administration building. Interested school parents are invited to hear this discussion.

### FOUR ALREADY CUT

At this week's board meeting the summer recreation program, the school camp program, library at Palm Junior high, and the Spanish instruction program were cancelled. The decision on the summer education program will be made next Monday. Other programs to be considered at the regular board meeting include:

pupil transportation; capital outlay for ground and building improvements; elimination of requests for (Continued on Page 4)

### Barbara Ralston Captures Miss Spring Valley Title

WINNER AND COURT — Miss Barbara Ralston (center) was crowned Miss Spring Valley of 1962 Tuesday night. Her court includes (left to right) Maureen Bates, Ginger Crocker, Liz Allen and Sigrid Horn.

More than 300 spectators at the Spring Valley chamber of commerce hall saw 17-year-old Barbara Ralston, a beaming beauty with an unsurpassable smile capture the Miss Spring Valley crown Tuesday night. She and twelve other Spring

Valley beauties appeared before the people in bathing suits and formals and were briefly interviewed by Jerry Walker of KCBQ.

### L.G. School District To Get Impact Funds

The Lemon Grove School District has been awarded the sum of \$55,920 for school operating funds pursuant to Public Law 874.

Schools which are heavily burdened by the impact of Federal installations in their area are eligible for financial assistance under this Public Law.

The amount certified for payment is determined from the tentative entitlement for the fiscal year computed on the basis of information and estimates contained in the application. The total entitlement for the school district for fiscal year 1962 has been set at \$31,045 of which the above amount has been certified for immediate payment. Additional payments will be subject to such adjustments as may be required by actual data and by the availability of funds in relation to total entitlements for financial assistance.

Judges for Tuesday night's Miss Spring Valley contest, who sat facing a runway on which the candidates appeared were Florence Van Wagner, owner of El Cortez Fashion and Model School; Robert Schaar, commercial illustrator from Los Angeles, and Brit Douglas, disk jockey at KOGO.

Other contestants were Judith Allen, Sharlene Barker, Dayle Evans, Ronna Graham, Sandra Johnson, Vicki Morris and Kaye Riley.

The parade of beauties and judging was preceded by a dinner prepared and served by Mrs. Evelyn Zabel and a committee of the women's service group of the chamber of commerce.

In a pre-contest presentation, Tommy Thomas of the Spring Valley Bulletin vocalized "Spring Valley," a song he wrote.

### Two More Enter 1962 Miss Lemon Grove Contest

CHAIRMAN WITH CANDIDATES — As the Miss Lemon Grove for 1962 beauty contest gained momentum last week, contest chairman Lloyd Jefferies of the Kiwanis posed with two candidates—Janice Mann (left) and Susanne Ouellette. Janice, 17, 8433 Roy st., is a senior at Mt. Miguel high school, likes bowling and swimming and wants to be a dental assistant. She has blue eyes and black hair, stands 5' and weighs 98 pounds.

Also 17 and a Miguel senior, Susanne, 7324 Beryl st., hasn't planned a career as yet. She has blue eyes and brown hair, stands 5' 3" and weighs 110. Jefferies invited local girls wishing to enter the contest, which is preliminary to the county-wide Fairest of the Fair contest to get application blanks at 7898 Broadway or at the office of the Lemon Grove Review.

### Aid For Roads Or Aid For Buses?

One of our country's leading authorities on road travel was expounding on the error of the federal government's determination to shunt highway funds into aid for mass transportation.

He insisted that such a plan would serve no practical purposes so far as the San Diego bus situation was concerned. The man, an engineer, is noted for use of figures so complex that they smother the average reporter, brought right down to understandable language.

"If bus fare were free in the San Diego area, there would be no appreciable change in passenger loads," he asserted.

Not only does his statement seem fair but it also pinpoints the problem. People apparently prefer the inconvenience and expense of using their own cars.

### NUTS LEADING 4 to 1

The county will participate in a mental health program under the Short-Doyle Act beginning July 1. The Act allows patients to voluntarily submit to treatment locally instead of being committed, getting adjudged and then being hospitalized.

Whether the supervisors were right in waiting five years before taking part in the program is to one side, but it brought a wryly humorous observation from the dean of the county supervisors, David Bird.

"Do you know that one out of five county residents are mentally disturbed?" he asked us at a recent meeting.

"No," we replied, shocked at the high ratio.

"Do you know what causes this high percentage?" he persisted.

We didn't.

"The other four nuts," he chuckled.

### This Is What They Censor!

The present administration's determination to censor members of the Armed Forces has created considerable unrest. General Edwin Walker retired from his post because he was

## EMCEE JERRY WALKER GETS INTERESTING ANSWERS FROM BEAUTY CANDIDATES

Loquacious Jerry Walker of KCBQ, originator of KCBQ-Quack, a puppet-duck that fits over his hand and for which he throws his voice, was emcee at the Miss Spring Valley beauty contest Tuesday night in the chamber of commerce hall.

During the interviewing, he pointed out to candidate Ginger Crocker that she had everything down under ambition on the entry blank except doctor and Indian Chief.

Said Ginger: I might try those, too, if the others don't work out.

Contestant Sandra Johnson is probably the youngest, prettiest member of the Spring Valley Chamber of Commerce.

Ronna Graham has an unusual ambition for such a pretty gal. She wants to teach U. S. history in high school.

When Walker asked Judy Allen if her ambition was to get married, she agreed but pointed out emphatically that she wants equally to enter technical laboratory work after getting a college degree.

## JACK GAVETT OPENS "CLUB 94" HERE

Restrauteur Jack Gavett has opened a brandnew dine-dance place at 9912 Campo rd. in Casa de Oro. His "Club 94" is featuring an old-time atmosphere, with live music slated for the weekends.

A grand opening party will be held at Club 94 on May 4.

## LEMON GROVE FAMILY TO BECOME CITIZENS

Members of a Lemon Grove family from Holland will go as a unit to a San Diego County Courthouse ceremony Friday of this week to receive citizenship papers. Mr. and Mrs. Hendrik Bydevier of 6850 San Miguel and their children—Rudy, 16, Yvonne, 10 and Harry, 7 are the Americans-to-be.

Natives of Amsterdam, Holland, they've been here five years, having been sponsored through the First Methodist Church of La Mesa.

## SPRING FAIR OF HOME IDEAS OPENS IN BALBOA PARK

Just about everything that makes for today's better living can be seen at the admission-free Spring Fair of Modern Home Ideas opening Friday, April 27, for a six-day stay at the Electric Building, Balboa Park. Doors will open at 6 p.m. the first day and at 1 p.m. each day thereafter. Closing time will be 10:30 p.m.

## NATIONAL ANTHEM PLANNED FOR ALL S.D. SYMPHONY PROGRAMS

All future concerts of the San Diego Symphony Orchestra will open with The Star Spangled Banner, it was announced this week. Performance of the National Anthem at each program will begin with the concert of Sunday, officials said.

The San Diego Symphony will, by this action, be one of the first orchestras in the country to revive this custom, widespread during World War II.

## L. G. Business Women's League To Install Officers April 28

"WISHING WELL" THEME — "The Wishing Well" is the theme selected by Mrs. Frank Ellis for the installation meeting of the Lemon Grove Business Women's League to be held on Saturday, April 28 at the Red Coat Inn, 5933 University ave. In picture are officers who will be installed. They are (left to right seated) Mmes. Lawson Willingham, president and Harry Wilson, vice president; (left to right standing) Mmes. David Constant, corresponding secretary, Emil Norman, treasurer, and Arthur Chappelle, recording secretary. Members, husbands and other guests will begin the April 28 festivities with a cocktail hour at 6:30 p.m. followed by dinner at 7:30 p.m. Dr. Amorita Treganza will be mistress of ceremonies. On the social committee for the event are Mmes. Willingham, Frank Thomas, Richard Fairchild and Dorothy Louer.

## Social Security Question Box

by DIRK SMITH  
Area Social Security Representative

QUESTION: I am over 65 but have never filed for benefits because I earn \$2,400 a year, working on a \$200 a month job. My wife is also 65. Will I receive any benefits if I file?

ANSWER: Yes. You and your wife should file for benefits. If you retain your job, a total of \$700 will be deducted from your annual benefits but you should be able to receive a portion of your benefits and still hold your job.

QUESTION: My wife, who my sole support, died in 1948. I was denied any rights to monthly benefits at that time. Could I qualify now?

ANSWER: Yes, it is now possible to pay you benefits as a dependent widower. Check with your local social security office as to your rights.

QUESTION: I've been a widow since February, 1959. My husband was 67 and was receiving a social security check. I'll be 62 in February of next year. I'm now working for the Federal Government and will receive federal retirement when I stop working. Will I also be able to receive a widow's portion from social security?

ANSWER: When you retire - yes, you'll be able to receive your widow's social security in addition to your own federal retirement checks. As long as you continue to work, however, you very probably won't be eligible. We would suggest that you get in touch with your local social security office and discuss your case with them. They'll be able to give you more specific information about your particular situation.

If you have any questions concerning Social Security, send

## PRESS AWARDS BANQUET TO BE HELD MAY 25

The 12th annual Press Awards banquet will be staged May 25, the San Diego Chamber of Commerce announced this week.

County newspaper publishers have received notice of the banquet and have been asked to submit entries in six contests which are regarded as the "Academy Awards" of San Diego County journalism. Winners will be announced at the May 25 banquet, which will take place at the Mission Valley Inn.

The banquet is sponsored by the San Diego County unit of the California Newspaper Publishers Association, with cooperation of the San Diego Chamber. The San Diego Public Relations Club will co-sponsor a social hour which will precede the banquet.

## TREASURER CANDIDATE WILL CAMPAIGN IN EAST COUNTY

John Busterud, chairman of the Republican caucus and candidate for State Treasurer, will be in San Diego Friday.

He will make appearances in the county during the day after a press conference at Republican headquarters in downtown San Diego.

He plans to make appearances in Lemon Grove and Spring Valley later in the campaign.

## L.G. F.D. Budget Presented Here

A tentative budget of \$140,307 was presented to the L.G. Fire Commission Tuesday night at the regular meeting at the fire house. Based on current assessed valuation estimates, it reflects the same tax rate although the total is up slightly. A "reserve" item, part of the budget each year, is \$85,000.

The commissioners rejected a three per cent increase in wages for four engineers and three first class firemen but agreed to hire another full time fireman at a \$5,450 per year wage rate.

## Shots Fired In Local Cafe Burglary

Four shots were fired last week at a burglar who Deputy Hal Johnston caught rifling the register and coin machines at Ralph Heim's Spin In cafe, 3645 Imperial ave., Lemon Grove.

Deputy Johnston noticed a door to the cafe open about 3:30 a.m. Friday and surprised the burglar with his hand in the cash register. The culprit, about 30, six feet tall and weighing about 200 pounds, bolted when Johnston had to divert his attention momentarily to dial the operator for help. Johnston fired a shot inside the building which may have hit the man since no hole or slug could be found. The burglar raced through the Costa Bella trailer court, trailing bills and coins before he disappeared in the area of the old packing house with Johnston giving chase and firing three more shots. Loss was more than \$500 in cash. No merchandise was reported missing.

A suspect was picked up in Chula Vista Tuesday morning. The suspect, Charles Howe, a S.D. rooming house resident, admitted to Chula Vista police that he was guilty after L.G. Deputy Sheriff Hal Johnston walked into the questioning room. Howe, who earlier this month finished a five year term at

### DOROTHY DIGS in the garden

If you have an area in your yard that is being over-run with weeds, you might like to get rid of them the easy way, with a weed killer.

Fortunately, there are weed killers on the market now that meet every requirement. Some that are selective and some that are not. Some that do not scorch the soil and some that sterilize the soil and some that act through the roots. Your choice of a weed killer depends entirely on what you want to accomplish.

If you want to kill the top growth but not sterilize the soil, you should use the contact type of weed killer; if you want to sterilize the soil for a longer period of time, another type is needed, of course. But whether you use the newest weed killer or a hoe, the time to start working on weeds is when the tender green sprouts first appear. In a short time they become tough and hardy and more difficult to destroy.

## Army To 'Pre-Process' High School Seniors

The U. S. Army has made arrangements for high school seniors to be pre-processed prior to their June graduation. Local seniors are to contact MSgt. Edward R. Edwards at HO 3-3114 for information.

Sgt. Edwards said that the pre-processing will be for the Army's choose-yourself technical schooling.

Soledad on a burglary charge, also admitted to a San Diego burglary in addition to the one in Lemon Grove. Police found more than \$700 in his room on C st.

He told Johnston that he became frightened when the first shot Johnston fired whizzed past his ear as he ran through the door.

He will be arraigned when investigation by sheriff's men under Deputy Swede Larson is completed.

## Last Baby Of Week Winner Announced

Michael Monise

The eighth and final winner of the Baby of the Week Contest was 9½-month-old Michael Edmund Monise, whose parents are Mr. and Mrs. D. A. Monise of 8234 Lincoln st., Lemon Grove. "I'm so happy," said Mrs. Monise when she heard they won. Like previous winners, the Monise family is getting gifts from each of the participating merchants.

Michael is an adopted child. Mrs. Monise said she and her husband hope to adopt another child soon. He works on aviation instruments for the civil service at North Island Naval Air Station.

## S. V. Junior High Trying Out New Physical Fitness Idea

The Spring Valley junior high school physical education department has been trying an idea taken from a booklet issued by President Kennedy's Council On Physical Fitness.

The idea is "the profile card," method by which every student keeps track of his physical progress.

Dwight Hodel, chairman of the school's P. E. department, said that the profile card appears to be helping out but that it's too early yet to know the extent of its effectiveness.

Three times during the school year, Hodel explained, a P. E. student is tested on seven things—situps, pullups, broad-jump, 50-yard dash, shuttle run, softball throw and 600-yard run.

Scores are marked on the card and the boy can see his ratings in comparison with national "norms" and also with what he did before, Hodel said. He pointed out that the cards give boys goals to work toward and probably put more emphasis on these particular physical exercises than did any previous physical program.

The national norms, Hodel explained, are based on thousands and thousands of scores made on these physical exercises across the country.

How do Spring Valley junior high students compare with the norms? His boys have rated above the national average, Hodel stated, and they're improving constantly.

## POULTRYMEN TO MEET

The Poultry Department of the San Diego County Farm Bureau will meet Tues., May 8 for a dinner and election of officers in the Sunset Room of Town and Country Hotel.

## Ammunition Men Wanted By Army

Young men interested in getting extra pay for military service in a highly selective organization will find what they are looking for and more, in the Army Ammunition Field, according to M/Sgt. Edward R. Edwards of the La Mesa recruiting station, who has just initiated a recruitment program for the ammunition field.

"Applicants will have to possess more than the average amount of courage and intelligence, because it takes that sort of man to make a good ammunition expert," Sgt. Edwards said.

Besides drawing extra pay, successful applicants for this highly specialized field will have the additional satisfaction of serving with other men of high caliber. For all ammunition specialists must score a minimum of 100 on the Army's aptitude test, qualify for a "Top Secret" clearance and volunteer for hazardous duty before they are accepted for training in this challenging field.

## FLAGS SALES PLANNED BY FLEET RESERVE ASSN.

The Fleet Reserve Association will conduct its annual non-profit flag selling campaign known as "Operation Red, White, Blue."

The campaign will start on Loyalty Day (May 1) and end on the Fourth of July.

## HARDESTY RECOMMENDED FOR STATE SUPT. OF PUBLIC INSTRUCTION

Dr. Cecil D. Hardesty, superintendent of San Diego County schools, was rated as "the best qualified candidate on the ballot" in the June 5 primary race for State Superintendent of Public Instruction.

The commendation came from Dr. John C. Whinnery, past president, California Association of School Administrators, as he urged voters to focus attention on the "splendid administrative record" of the 54-year-old San Diego educator.

### AUDICHRON TO MAKE QUICK TIME CHANGE

"The time is 12:59 and 50 seconds." These words will be accompanied by quick action on the part of Pacific Telephone in the a.m. hours of Sunday, April 29, when Pacific Daylight Savings Time replaces Pacific Standard Time.

Although numerous timepieces can be changed at an earlier or later hour, at least one will have to make the switch "right on the nose." That time piece is Pacific Telephone's "Audichron" time-of-day service UL 3-1212.

## Left-Handed Pro Featured At New Driving Range

Twin Palms Golf and Driving Range on Magnolia ave. in El Cajon will have its grand opening Saturday and Sunday. A hole-in-one contest will be held both days, with many prizes for the golfers who get the closest to the hole. The hole-in-one contest will be sponsored by the Santee Chamber of Commerce. Twin Palms features a new modern 'Pro' shop, with 'Clyde' Griffin and 'Hank' Templeton giving lessons and running the 'Pro' shop. Griffin, the only left handed pro in San Diego, will be specializing in lessons and golf equipment for the left handed. Templeton is a L.G. business man and civic figure.

A beautiful putting green, and an eighteen hole miniature course will be ready in the near future. The driving range has twenty mat tees, and twenty turf tees, and is well lighted for night practice. Refreshments and television are available in the pro shop.

### KUCHEL CHARGES POSTAL BILL WILL 'DIG GRAVES' FOR MANY

The Administration was charged by U. S. Senator Thomas H. Kuchel of California with unsound policies that present the risk of "digging graves for our newspapers and magazines" in seeking to impose sharp increases in certain categories of postal rates.

In a speech for delivery in the Senate, the Assistant Republican leader hit at the "maze of all this confusion" and warned the rate measure approved by the House could be the most adverse legislation in recent years. Voicing fear of the effect on the free press, Kuchel commended the Chairman and Ranking Republican member of the Senate Post Office and Civil Service Committee, Senators Olin Johnston of South Carolina and Frank Carlson of Kansas, for making an exhaustive review of the proposed scales.

## Jordans Take Over Cresta Loma Home

Mr. and Mrs. O. Phillip Jordan have purchased the Cresta Loma nursing home at 7922 Palm st., in Lemon Grove from Mr. and Mrs. Ralph and Ethel Briggs.

The couple plans a program of remodeling and expansion at the 41-resident establishment.

Jordan has been associated with the El Cajon Valley Sanatorium. Mrs. Jordan's sister, Mrs. Helen Bunn, is operator of the Helix View Nursing Home, also in El Cajon.

The couple will soon move their residence from El Cajon to Lemon Grove.

## L.G. Jr. High Musicians Get 'Superior' Rate

Local Lemon Grove Junior High musicians received high praise from outstanding critics on April 14, when the school orchestra under the direction of Harry Weisgerber received a "superior" rating at Chaffey College in Los Angeles County. It was the first time in recent history that a Lemon Grove group qualified for participation in the Southern California School Band and Orchestra Association Regional Festival.

The group won a superior rating on March 3 at the District festival at Mission Bay High School, thus qualifying for the big event at Alto Loma. Because of their outstanding performance locally, the local school board approved the trip by school bus to the north.

In addition to the usual adjudication by three judges, the orchestra won a further "superior" rating on its sight reading ability.

The amphibious assault ship Valley Forge (LPH-8) has more than 10,000 electric lights, 1,600 doors, and 800 telephones.

### LA PRESA WOMAN'S CLUB SETS MEETING

The La Presa Woman's Club will meet May 2 at 7:30 p.m. at Rancho elementary school. Mrs. Murray Malcom, display chairman of the club's exhibit at Lloyd's Furniture store, will give a report on the progress of the exhibit. Mrs. Ralph Waldren, ways and means chairman, will report on a rummage sale to be held May 3, at the Spring Valley Shopping Center. President Mrs. Duncan will report on the Southern District convention, held at Hotel Del Coronado, on April 18. The club has received five awards: community improvement, legislature and government, responsible citizenship, international affairs, and the historian's book. Guests at the April tea, as well as other women of the area, are invited to the May 2 meeting, says Mrs. Duncan.

### LOCAL WOMAN ENDS TERM AS HEAD OF CHIROPRACTIC AUXILIARY

Mrs. Stanley Yanchul of 7449 Tracy, Lemon Grove, will present the gavel of the California Chiropractic Auxiliary to incoming president, Mrs. Charles Harman, at installation ceremonies Saturday at the Red Coat Inn. Mrs. Arthur Breakiron of Fresno, state auxiliary president, will install new officers. A social hour at 7 p.m. with dinner at 8 p.m. and dancing to follow the installation ceremonies. Mrs. Truman McVay and Dr. Allen Spencer are in charge of arrangements.

New officers of the auxiliary to be installed with Mrs. Harman are: Mrs. Robert McGuire, first vice president; Mrs. W. E. Crouse, second vice president; Mrs. George Padden, secretary-treasurer; Mrs. Stanley Yanchul, historian; and Mrs. Robert Botterman, scrapbook. Mrs. J. Lyle Foster will continue as director to the State Auxiliary. San Diego District Attorney Don Keller will be guest speaker of the evening.

### FRANCIS AMENDMENT REJECTED

In other business this week the board unanimously rejected inderosment of the Louis Francis amendment to the Constitution. In a short, prepared explanation, each of the members explained that communism did not appear to be the issue. The objection was that it discriminated against teachers. Trustee Bob Sjogren said "it affected all professions equally, we would support it."

A Lemon Grove man, principal in the S.D. school system, Dr. Norman Wollitz, made a plea for contributions by interested school parents to cover part of the override funds lost at the polls. He gave the board this check for \$12, his annual share, and asked others to do the same. "The consequences of the community failure (on this issue) will be difficult to overcome... if not impossible," he said.

A preliminary budget totaling \$1,694,968 was presented to the board by Business Manager Paul Reynolds.

## Hodge Reception In L.G. Friday

Walter F. "Pike" Hodge, candidate for the Democratic nomination in the 77th Assembly District will be guest at a reception here Friday.

The businessmen's committee for Mr. Hodge, headed by Henry J. Goldy, Frank Alessio, C. C. Alley, Jack Cruse and Wendell E. Stewart will sponsor a reception at Michael's in Lemon Grove from 5:30 until 8 p.m.

Robert Thom, and Myron Kammer are co-chairmen of the Attorney's committee for Hodge.

Elizabeth Tate Jackson is his campaign manager.

## Thomas Hits Foreign Aid

Dan Thomas, a Republican candidate for the 37th Congressional District, directly attacked the government aid to foreign countries Tuesday at the La Mesa Federated Republican Women's meeting.

"Communism simply could not have made the tremendous strides it has in the past few years," Thomas maintained, "without the financial aid of our own government, which by aiding the communist block countries with continually greater and greater financing, has worked to our own detriment."

He continued by stating that "We must have an overall government policy which will put foreign aid on a realistic, political and economic basis."

## Candidate Asks U.S. Aid For Local Schools

Rising school costs can no longer be borne entirely by home owners, Lionel Van Deerlin told a student audience this week.

Addressing a campus political rally at San Diego City College, the Democratic congressional candidate promised to work for passage of legislation extending Government financial help to public schools.

"Some recent school bond results in this county show that the needs of our schools have outgrown the resources of the tax collector. It's time to widen the tax base."

Van Deerlin riddled the idea that use of Federal money would result in Federal control over schools.

"There is no evidence to support this claim, and much evidence to dispute it," he said. "In the tradition of American public education, matters of program and curriculum will always remain the responsibility of the local community."

## SONS OF UNION VETS TO ORGANIZE HERE

Eugene R. McCoy, 2329 Edgerton dr., Lemon Grove, is in charge of a local drive to recruit members for the Sons of Union Veterans of the Civil War.

It is a patriotic and educational organization patterned after the old Grand Army of the Republic, he said. Male descendants of Union veterans over 16 years of age are eligible for membership. The meeting will be held Tuesday at 7:35 p.m. in the Veterans Memorial Bldg., Patton Park.

## The DIMMER VIEW

(Continued)

unable to properly indoctrinate his troops with information about the enemy, he said.

We haven't obtained a text of the Congressional hearings on the Walker censorship, but we were able to uncover the style censorship being practiced on other Armed Forces personnel in the Congressional Record in material presented by Senator Strom Thurmond of S. Carolina on Feb. 19, 1962.

He revealed that the following persons were censored in the amounts indicated by bold face type:

Gen. A. G. Trudeau, Chief of Research and Development, Dept. of Army, April 28, 1961... deleted by Dept. of State: "Coexistence (with Russia) is not a choice. It is a fatal disease."

Brig. Gen. John E. Dougherty, June 10, 1961: "The struggle (with Russia) will continue to be carried on in the political, economic and ideological areas. "And (deleted by Dept. of Air Force), defeat in these areas could be as costly as military defeat, if it results in the loss of our freedom."

Eugene H. Merrill, Deputy Asst. Secty. of Army, May 9, 1961 "It is how possible to send certain devices to the U. S. from Moscow (deleted by State) from half way around the world in a matter of several minutes."

Maj. Gen. John W. Carpenter III, commander AFFPC: "The X-15 is the Man 'o' War of the stable of research aircraft to date." Directorate of Security censor's comment: "Let's use another word - Zeve, Gallant Fox, etc. but not this one!"

Lt. Gen. George W. Mundy, USAF, May 19, 1961 (deleted by State) "In fact the big question of the day is simply this: Will the future world, that is, the emerging world order, be in our image, the image of the Western World, or will it be in the image of world communism?"

Adm. Arleigh Burke, Feb. 20, 1961 (censored by State) "The Soviet Union - realizing that the free world depends greatly upon the free use of the seas - is the only nation in history to mass-produce submarines in time of official peace."

There you have some of it. There was a score of pages more. Some of the censorship seems ridiculous to us. None of it reveals to the world our official secrets. On the other hand such censorship keeps many people under the thumb of the Administration boys. No wonder our leaders often present such a weak face to the rest of the world!

## No Wonder We're Broke!

Here is what the American taxpayer has given or loaned (how much of it do you expect to see again!) to other nations since the end of World War II.

Not to help win the war, remember, but since its end. And if you think these billions were to win friends for decency, think this one over: 57 billions of this give-away went to nations who boast of being neutral; they want our money but refuse to call themselves our friends - call or act like it.

The list of your gifts is well worth studying (it certainly has cost you enough!)

## Higher Interest Payments Announced

Another bank here has increased interest payments. The interest rate on savings accounts at The First National Trust and Savings Bank of San Diego has been increased from 3 to 3 1/2 per cent. Jack W. Koop, vice president and manager of the bank's Lemon Grove branch, has announced. In making the announcement Koop said the increase in interest rates became effective as of January 1. Koop also explained that in-

## MAIL BAG

Dear Editor:

I see by your newspaper that the county wants eighteen million dollars more to supplement the county budget for 1962-63. I wonder how long this spending spree is to continue. The people of San Diego are taxed, taxed, taxed.

I know of young veterans who have purchased homes under the GI Bill of Rights and because of unemployment and their inability to pay the tax increases, where in some cases payments of \$100 per month have been increased to \$130, or even \$140, on account of taxes, these men have had to give up their homes. Surely goodness and mercy is needed in all these things by the County Board of Supervisors to keep the tax burden from being confiscatory.

I am sure that the population of San Diego has increased over the last year or two, but not to the percentage where there has to be an eighteen million dollar increase. What we need is a taxpayers' organization that will adopt a get-tough policy with those who spend other people's money and this, I am sure, is coming. We need integrity of purpose in government and we need honest and dependable public officers who will look out for the public good rather than having the Grand Jury say that some of the elected officials in government, in transacting county business, were not interested in prices and expenditures, nor in the public good.

What we need now is an aroused public that will make themselves interested in this affair and do something for the good of the county taxpayers. With kindest personal regards,

Frank B. Gigliotti, D.D. Past President San Diego County United Taxpayers Association

Dear Editor:

Thank you so much for printing "We Are Not Satisfied, Mr. Kennedy" in the Dimmer View! I have wanted a copy of that newsletter since Fulton Lewis read it on one of his recent broadcasts. After reading the entire list, Mr. Lewis commented that the only thing wrong with the list was that it wasn't complete. Whereupon he proceeded to add to it another long list of things we are not satisfied with. We are aware by now, I think, that the list will never be complete; the Administration adds to it faster than we can write them down. A recent example: "We are not satisfied with the President's inexcusable conduct during his latest press conference. If our children publicly displayed such lack of restraint we would punish them. Certainly our President owes our youth a better example than that!"

Furthermore we are not satisfied with the President's handling of the steel price-rise. We have courts and other authorized bodies to determine in an orderly fashion whether the Steel Companies were justified in raising their prices. The President used the issue to prove that no-one, not even the biggest business in the country, could go against his wishes and win. Orderly procedure was shoved aside in an all-out mustering of power to force the steel companies to back down. To our sorrow and alarm, he proved his point; that big government has indeed become powerful enough to force its will upon any business—large or small—without regard for "right" and (it is now attempting) to gain the power to break up large companies to prevent them from ever again having enough strength to oppose the administration. (Legislation pending)

"We Are Not Satisfied" is the understatement of the year! Neva Kindred 8885 Tyler Spring Valley

To the Editor:

Lenin said the quickest way to destroy a country is to debase its currency. Foreign Aid is ruining our international balance of payments which, in turn, is wrecking our dollar. Since the beginning of Foreign Aid \$7.8 billion in U.S. gold has passed to foreign control. Foreign Aid has actually financed the purchase of U.S. gold, as witness - during F. Y. 1961, Lebanon received \$10 million in Foreign Aid and promptly

thereafter imported \$10 million in gold from the U.S. ! If Congress votes in favor of Foreign Aid, it is asking for a world currency crisis. Neither you nor your government can continue living beyond your means and survive. If we destroy our dollar with Foreign Aid, our country cannot even fight a war. The stability of the dollar is intolerable. Our external expenditures must be restricted to only what we can afford. Absolute minimum Foreign Aid is mandatory.

Your Congressman's vote on Foreign Aid will be a real test of his statesmanship.

Dear Editor:

Cooperation in the matter of parking may be the means of survival here in L.G. Parking spaces in front of our stores is for the convenience of customers rather than the business man who does not want to exert himself by walking from a parking place off the main streets.

A business neighbor recently asked some businessmen to park elsewhere than in front of his shop so as to make the space available for customers. They agreed wholeheartedly.

These people are helping themselves as well as showing interest and courtesy to the customers who like to shop here.

There are business people who occupy our parking to the dismay of customers and business people alike. Their lack of cooperation is noticed.

Every little added courtesy we show for our neighbor and our customer will pay dividends for all.

Dear Editor:

Over the years in which I have been reading your editorials I have come to appreciate your very sound thinking more and more.

In your late editorials you have laid it on the line where it belongs and I am in hopes that American people can be awakened as to just what is going on.

I notice that owing to the let down in airplane construction, there is much unemployment in the San Diego area. This calls for some new industries laid on a foundation which will increase greater stability and at the same time it looks as though there was nothing quite as important as gold. We cannot expect any permanent stability in business until gold is restored to the people, and the value or price increased in comparison to commodities.

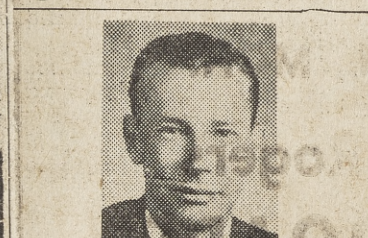

If you can get together a little group of people whom you feel are dependable, we might start a substantial business which could be carried on generation after generation. I can find the very high grade ores to provide funds for new industries, and these could remain at work as a foundation for new enterprise. The interest on these funds need not be enough to hurt anyone, 5% would probably be about right. Yes, and I even have ground at La Presa which could be used to set up a plant. This on the South side of Harness Drive next to Tom Loves. I have been interested in that district since 1928 when I bought a little parcel of land there. I look to it to become the Metropolitan center of San Diego.

I can't travel far, but will be pleased to have you call on me. I live in a little garden at 462 North ave. on a terrace overlooking Highland Park, a very pleasant place for us to have a chat.

Harold A. Ellis Economic Geologist Los Angeles, Calif.

## CLIP and PASTE on a U.S. Postal Card

At least once every 3 years a person should check his social security account, say officials of the Social Security Administration.

You can obtain important information about the earnings that have been credited to your account by using the handy coupon below. Simply clip this coupon, paste it firmly on a 3¢ postal card, and mail it to this newspaper, Attention: Social Security Editor.

In filling out the card, be sure to give your account number and name exactly as they appear on your social security card.

### REQUEST FOR STATEMENT OF EARNINGS

ACCOUNT NUMBER \_\_\_\_\_  
DATE OF BIRTH \_\_\_\_\_  
MONTH \_\_\_\_\_ DAY \_\_\_\_\_ YEAR \_\_\_\_\_

Please send me a statement of the amount of earnings recorded in my social security account.

NAME (MISS MRS. MR.) \_\_\_\_\_  
STREET & NUMBER \_\_\_\_\_  
CITY, P.O. ZONE & STATE \_\_\_\_\_

SIGN YOUR NAME AS YOU USUALLY WRITE IT

Sign your own name only. Under the law, information in your social security record is confidential and anyone who signs someone else's name can be prosecuted.

If your name has been changed from that shown on your social security account number card, please copy your name below exactly as it appears on that card.

### Why it Pays to Check Periodically

If you have worked long enough under the social security law, you and your dependents can get monthly social security insurance benefits when you retire or if you should become disabled. Monthly benefits can also be paid to certain members of your family when you die.

These benefits will depend on the earnings credited to your social security account. The Social Security Administration recommends that, for your own protection, you check your social security account about once every 3 years. Check yours now. Clip the coupon above, paste it firmly

to a 3¢ postal card, and mail it to this newspaper, Attention: Social Security Editor. Your coupon will be forwarded to social security's recordkeeping headquarters in Baltimore, Md. You will receive a confidential statement of the earnings credited to your account.

## GOPs Help Prosperity, Wilson Tells NC Women

Dick Wilson, Republican candidate for Congress in the new 37th District, told the National City Republican Women's Club this week that "The Republican Party is more nearly the working man's party because it promotes, fosters and encourages business under the free enterprise system. If business prospers more jobs are available and more taxes can be collected to help pay for government. If profits are destroyed, jobs are destroyed and a business cannot survive without profit and if the business cannot survive, its employees lose their jobs. When business is harassed and threatened and intimidated by government, it is the people who suffer."

Wilson added, "Our freedoms are protected by a balance of power between the Executive, Judicial, and Legislative, but when all are controlled by one man or one party, we are no longer a free nation. We see an Executive in control of the Judiciary by political appointment, not of experienced jurists, but of party faithfuls, over 90 times in the last 1 1/2 years. We see this Executive in almost complete control of the Legislative branch."

## Social Security Expert Says Some Not Getting Credit For Earnings

There are from 300-400 people in the Lemon Grove, Spring Valley and La Mesa area who are not receiving Social Security credit for their earnings, according to Dirk Smith, social security representative for the area.

Smith declared that the earnings are being reported by their employers but cannot be credited because the people failed to give their right social security number to employers or failed to notify the social security administration when they changed their names upon marriage.

Local people who aren't certain they are getting social se-

curity credit for earnings, may request the information by writing to Dirk Smith, c/o this newspaper, Box 127, Lemon Grove, Cal.

## SCOUT TROOP 333 GOES ON CAMPOUT

Boy Scout Troop 333, sponsored by the Lemon Grove Methodist Men's Club, held a two-night campout in the Imperial Valley Desert in latter February. The Scouts and their leaders collected rocks and visited a mine, ghost town and desert museum.

By participating in all scheduled activities during Boy Scout Week, Troop 333 received an Honor Unit award. For their window display at the Methodist church, which depicted the 12th point of the Scout Law "A Scout is Reverent" and the "God and Country" theme, they received a Class "B" proficiency award.

Troop 333 will participate in the Grossmont District Camporee to be held near King's Creek Scout Ranch on April 6 and 7.

Interested boys are invited to join Troop 333. It meets at 7 p.m. each Monday night at the L.M. Methodist Church.

## STAR WAYNE WALKER HONORED AS SPEAKER DURING SCOUT WEEK

A certificate of appreciation was awarded to Star Scout Wayne Walker of Spring Valley troop 357 in recognition of service as a speaker for scouting during Boy Scout Week. It was presented by scoutmaster Joe O'Dell at a recent Court of Honor attended by 25 parents.

Candidates Duane Wilson and Dale Foster were accepted into Troop 357 as Tenderfoot Scouts. Jim Rose and Rodney Moore received second class badges and Bob Peverly and Gene Ford became Star Scouts.

Merit badge awardees were Billy Walton, citizenship in the nation and electricity; Bob Peverly, home repairs and camping, and Gene Ford, first aid, mechanical drawing, electricity and public health.

# \$1 Million Home Improvement Center Opens

A \$1 million super center of home improvement materials will hold a grand opening April 27, 28 and 29 at its five-acre site across from the Grossmont Center on Center Dr.

The opening of the new super center, The Handyman, will be held at 12:30 p.m. to 9 p.m. April 27 and 8 a.m. to 5 p.m. April 28 and 29.

Features of the grand opening will be Don Allen, a champion caster, Yellowtail Derby Queen Sharon Wetzel, an opening ceremony, a \$3,500 barbecue, a one-half ton Tiki god, and prizes for everyone.

The Handyman will provide a complete selection of materials for building-minded individuals or families, plus other items for the home and fun, announced Herbert A. Haimsohn, president of the new Handyman corporation.

Handyman departments will include housewares and gifts, automotive supplies, unfinished furniture, a garden shop, plumbing and electrical supplies, a Tiki shop, kitchen appliances, pet supplies, sporting goods, paint, and a patio shop.

A building materials department will feature lumber, concrete products, builders' hardware, fence materials, sheet metal and other items.

Department areas in the building will be indicated by wall murals depicting the "handyman" in various activities.

"For the first time, San Diegans will be able to find everything they need for home improvement projects or hobbies under one roof," Haimsohn said.

San Diegans also will be able to learn how to use home improvement materials. The Handyman plans to sponsor "do-it-yourself colleges." It will offer free classes on special subjects such as how to build a brick patio, how to finish a ceramic coffee table, and others.

The Handyman will comprise a 40,000 sq. ft. building, 4,000 sq. ft. of roofed patio and 20,000 sq. ft. of fenced sales yard.

The building is of tilt-up con-

struction with air conditioning and automatic doors for customer comfort. Free parking will be provided for nearly 300 cars. Approximately 75 persons will be employed by The Handyman.

The new Handyman corporation formed by local business and professional men plan to open a chain of centers for "do-it-yourself" families, President Haimsohn said.

Other corporation officers are Edward Haimsohn, vice president and Milton Fredman, secretary.

## Glue-Sniffing Boys Picked Up Here

### L.G. BOYS CAUGHT SNIFFING GLUE

Two 17-year-old L. G. boys were taken to Juvenile Hall and Donald Terence Tate, 18, 6752 Charlene st., S.D. was taken to county jail after sheriff's deputies found the three of them nearly passed-out after an evening of glue-sniffing.

Police found 17 tubes of glue and a pair of athletic socks, the latter used for sniffing the intoxicant.

### GOODWILL ITEMS TAKEN

Items valued at \$100 were carried away from the L. G. Good Will store, 3688 Grove st. one night last week the sheriff's dept. was told.

### LIQUOR STORE ROBBED

Two holdup men, described as 18-19 years of age, one blond, the other dark haired, held up Schmidt's Liquor store, 3155 Campo rd., S. V. last Wednesday.

William Compton, attendant, told the sheriff's dept. that the men, both about six feet tall, scooped \$150 out of the cash register.

### BOY TAKES BEER GLASSES

A 14-year-old boy admitted taking \$40 worth of glasses from the rear of the Wooden Nickel Bar at 8290 Broadway, according to Victor Maccoca, bar owner.

### 3 STORES BURGLARIZED

Burglars entered three Casa de Oro stores last week and made off with money of varying amounts. Robinson and Green lost \$65; C d O Barber Shop lost \$12 and nothing was taken from Seiviks Flooring.

### CHECK FORGER NAMED

A forged check for \$117.23 was used to purchase liquor at the Grove Liquor store, 7245 Broadway, L.G. according to Mrs. Felicia Bouton, store manager. She gave sheriff's department the name of a L.G. man as a suspect.

### THEATRE BURGLARS ARE NABBED

Three L.G. boys in the 16-17 age group are responsible for recent burglaries in the Grove theatre the sheriff's department said this week.

One of the boys is in juvenile hall, another was released to his parents, and the third left town and is yet to be contacted. The latter was implicated by the first two.

### CITRUS MISSILES

Playful boys used citrus from the back yard of Donald A. Smith, 3553 Ybarra, S.V. as missiles, leaving approximately \$100 worth of damage to the trees. Some of the fruit was splattered on the walls of Smith's house.

### NEW SAVINGS BOND PROGRAM LINKS BUYERS WITH DEFENSE EFFORT

San Diego County Savings Bonds Chairman Philip L. Gildred has received news of a new program which links them with the current expanding national defense effort to protect the country against aggression.

Western treasury consultant Howard Mills in an extraordinary communication told him: "From now on the dollars invested in United States Savings Bonds are regarded with new intensity as an investment in weapons and research to defend this nation. Each county and community will soon be asked to assume a specific 'Freedom Bond' goal to buy a plane, missile or some other defense article."

## L.G. Teachers To Install Weisgerber As President

Harry Weisgerber will be installed for a second term as president of the Lemon Grove District Teachers Association his week on Thursday at a dinner ceremony at the school cafeteria on School Lane. The group is an affiliate of the 125,000 member California Teachers Association.

Approximately 170 teachers and their guests will enjoy a buffet luncheon and a brief program as new officers are installed for the 1962-63 school term, according to John Gregory, program chairman. Master of ceremonies for the evening is John Orcutt, coordinator of the CTA Branch Office in San Diego.

John Donaldson, new field service director for the CTA Southern Section office in Los Angeles, is guest speaker. Donaldson directs a large staff serving over 60,000 members in the Southland.

Other officers to be installed include John Gregory, first vice president; Mrs. Elizabeth Higgins, second vice president; Dorothy Pavlovic, secretary; Robert Sargent, treasurer; and Robert Harvey, auditor.

Officers continuing in office from last year include Jack Lemmer and Rick Stammer-

john, CTA representatives, and Mrs. Margaret Lemmer, CTA State Council of Education member. Alice Milne continues as the Lemon Grove delegate to the San Diego County Curriculum Planning Committee.

Elmer Pedersen is social chairman in charge of the dinner and related activities.

### SAN MIGUEL SCHOOL SETS OPEN HOUSE PROGRAM

San Miguel PTA will mark the 43rd observance of Public School Week, April 30-May 4. "Open House" will be held May 3, 7 to 8:30 p.m. All classrooms will be open to display student materials and work.

An Executive Board meeting and luncheon will be held at 10:30 Tuesday morning at the home of Mrs. R. J. Collette.

Mrs. Samuel Gaigan, president elect, is making plans to attend the State PTA Convention in San Francisco in May.

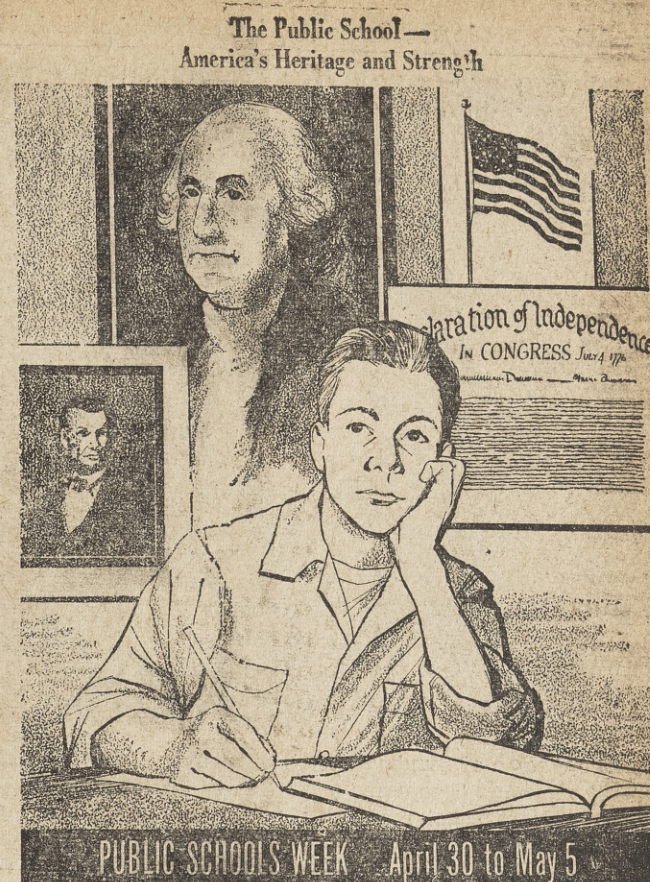

## Man Pedestrian Dies After Getting Hit On Broadway

A Chief Petty Officer died Sunday night after being struck by a car in front of the Lemon Grove Bowlery at 8:20 p.m. The San Diego based Navy man, Robert L. Schmidt, 34, was crossing the street after his car ran out of gas, the California Highway Patrol reported.

Driver of the car involved in the fatal accident, which was going east on Broadway, was Ellis Gayle Sickle, 46, of 2676 Citronella, Spring Valley. He was not cited.

Traffic officer Jack Whiting said Schmidt, of 303 Cordwood dr., San Diego ran out of gas on the north side of the street and was crossing the street diagonally toward a filling station when struck by Sickle's car. The C.H.P. said the nearest crosswalk was 500 feet away.

Schmidt was carried 50 feet by the impact, receiving head and back injuries. Taken to Navy hospital, he died at 11 p.m. He was attached to the U.S. Hull.

## Vocational Over Skilled Trades Classes Indicated For Grossmont College

### SURVEY RESULTS IN

Vocational curricula in the semi-professional rather than the skilled trades area are recommended for Grossmont College in survey results reported to the board of trustees of the Grossmont Junior College District.

Board members Rexford Hall, chairman, and Mrs. Portia Goode, clerk, and Grossmont College President John S. Hansen reported the survey findings at a meeting of the board. The survey, titled "The Greater San Diego Tri-College Survey of Technical and Vocational Education" was initiated three months ago at the request of Grossmont College.

The survey predicted that the population in the Grossmont Junior College District would rise from its present 197,000 to 325,000 in 1970.

Officials of the college, wishing to co-ordinate its beginning vocational - technical programs with those of Southwestern Junior College and San Diego City College and also to avoid unnecessary duplication of facilities and offerings, arranged with the other two colleges for a survey to be headed up by Donald D. Dauwalder. He was aided by committees including both community and college representatives.

Specifically, the report states that an adequate program in the skilled trades already exists at San Diego City College and, further, that a continuing decrease in the number of skilled tradesmen also argues against amplifying this training area.

However, in the semi-professional field, a large number of areas of technical education and training were listed as desirable for one or more of the three junior colleges.

Technician areas, in some cases including specialized as well as general technicians, were listed as follows: developmental design; equipment engineering; electronics; computer laboratory; development instrumentation; research and testing; systems testing laboratory; electro-mechanical; electro-optical; electro-hydraulic; engine development; engineering propulsion; frame test; mechanical laboratory; mechanical engineering; process engineering; tool and die; reliability; quality control; industrial; systems and procedures; sales; service; and industrial engineering.

Other fields listed were: design draftsman; engineering designer; tool designer; technical writers and illustrators; technical analysts; instrument specialists, and printing and reproduction specialists.

In addition to these technical and vocational curricula, the

report also recommended that all three colleges offer police science programs (Grossmont will start one this coming fall). Grossmont also was urged to add a dental assisting program.

Fire, science, X-ray technology, printing technology, computer programming, registered nursing, specialized agriculture, nucleonics, and mathematical technology were also named as areas which should be initiated or expanded.

The survey noted, in passing, that at present only 11 per cent of positions available on the labor market are for the unskilled and foreman dropping to 5 per cent by 1970. The survey also predicted the following population rises in the three districts, as of 1970: Grossmont, 197,000 and 325,000; San Diego City, 538,000 and 710,000; and Sweetwater, 120,000 and 235,000.

The bride-to-be is a junior at Helix high school. The groom-to-be is a seaman apprentice in radio school at the U.S. Naval Training Center in San Diego. The wedding date has not been decided.

## Local Youth Appearing In April 27 Concert

Young musicians from San Diego County will be presented in the annual Local Artists concert on Fri., April 27 at 8 p.m. in the Grossmont high school auditorium.

The women's committee of the Grossmont Concert Assn. each year sponsors the concert. This year's auditions were in February and the following artists were chosen: Jean Stone, soprano; Marcelle Gallez, pianist; Eugenia Milroy, lyric soprano, and the San Diego Symphony Brass Ensemble. Eva Clover, a well-known piano teacher, will accompany Jean Stone. The accompanist for Eugenia Milroy will be Vere Wolfe, a prominent musicologist in this vicinity, who has charge of the San Diego library concerts.

Mrs. Joseph A. Del Nero Jr., area music chairman, is working diligently for the success of this concert.

The Mt. Helix division of the women's committee under chairmanship of Mrs. Howard E. Lee is making arrangements for the reception which will follow the concert and will honor the artists and their friends. Officers of the Concert Assn. and the Women's Committee are invited guests. Assisting Mrs. Lee at the reception will be the officers of the Mt. Helix division: Mrs. John Mortenson, P. L. Taylor, Willard Reineking, Paul Henderson, Todd Smith, David Kellar and A. Ray Hunter.

## AREA WOMAN NAMED TO NATIONAL OFFICE

Dr. Marguerite A. Brydegaard, 1343 Helix View Drive, professor of education at San Diego State, was installed as vice president of the National Council of Teachers of Mathematics last week in San Francisco.

Dr. Brydegaard is the wife of the late Herluff Brydegaard, the well-known architect who designed Mt. Miguel, Monte Vista, El Capitan and Granite Hills high schools in this area. School officials agree that three Brydegaard high schools could be built for the cost of two conventionally designed ones.

For the past six years she has served as associate and assistant editor of The Arithmetic Teacher, official journal of the Council. She has been a member of the Council's Committee on Supplementary Publications, has been on the editorial board of Childhood Education International, and has co-authored such texts as Building Mathematical Concepts in The Elementary School, and Step, an elementary mathematics test method. Her writings have appeared in The Instructor, The Arithmetic Teacher, The Bulletin of the National Association of Secondary School Principals, and Childhood Education.

#### IT'S FUN TO SHOP AT HANDYMAN

Handyman is San Diego's headquarters for do-it-yourself values... and for fun. We've created a brand new kind of store where you'll always find something new and different. Our Handyman sales force enjoys its work... and enjoys helping you find just what you want for your do-it-yourself project!

#### SCHOOLS AND DEMONSTRATIONS

Want to build a cabinet? Want to finish a ceramic coffee table, hit a golf ball, fix a carburetor? Handyman's the place to learn! Regular Handyman schools will offer special classes and subjects of interest to the Handyman... and they're absolutely free! So watch your local paper for the Handyman ad—it will tell you when the "Do-It-Yourself College" you want to attend starts!

#### TIP OF THE WEEK

Every week the Handyman will have a special tip for San Diego do-it-yourselfers. Here's this week's tip: When a fence post shows signs that it's rotting at ground level, it can be supported by driving a stake flush against the post and nailing the supporting stake and post together. Cut the brace at an angle to shed water... and for any kind of lumber from stakes to fence posts... visit Handyman often... and save!

#### CONVENIENCE

Handyman is located right across from Grossmont Center on Center Drive... minutes from anywhere in San Diego. Handyman is open week days from 12:30 p.m. to 9 p.m., and from 8:00 a.m. to 5:00 p.m. Saturday & Sunday. You can do your shopping after work... sleep late on the weekends, too! ### ELEMENTS OF ART STUDIED WITH COLLAGE AT S.V. JUNIOR HI

The use of line, shape and spaces, texture, dark and light patterns and color in art was studied lately by the Spring Valley junior high school students of Fred Bullock.

They made a collage. This is a collection of various materials which are adhered to a flat surface to create a design. These materials often are things which would be thrown away otherwise but which have an amazingly esthetic effect when used in a collage, Bullock said. Picasso is known to have made collages, the school reported.

## Chargers' Gillman Signs New Contract

SAN DIEGO, April 24—The San Diego Chargers of the American Football League have given General Manager - Head Coach Sid Gillman a new three-year contract, President Barron Hilton announced.

Gillman, who was in the final year of a three-year pact, admitted that the new contract will run through Dec. 31, 1964. Only other term disclosed was that there was no raise in salary involved. "When we get the Chargers on a profit-making level—which will be soon—then we'll think in terms of raises," said Gillman.

"Sid has done an outstanding job for the Chargers both in the front office and on the field," stated Hilton. "I am extremely happy that the Chargers are able to secure his services for another three years."

## Racers Vie For T-Bird Prize

Speeding cars and a fast track set the pace at Calder's Toy Town 7923 Broadway, Lemon Grove last Friday night as contestants took to the road in the first leg of the Ford-Aurora 406 Grand National Competition.

The first national miniature car racing contest ever held in the United States, the Ford-Aurora 406 got off to a flying start with 11 contestants participating. A series of 5 races gave everybody a chance to drive the 2" long, electric-powered "Model Motoring" Fords around a miniature race course. Racers, maintaining speeds over 150 scale mph, skillfully let their cars out on the straightaways, slowed them down around curves. As the cars spun around the track, spectators watched as tensely as if it had been a Grand Prix race. Drivers admitted racing as much for the thrill of the sport as for the giant Ford-Aurora Top Driver trophy that awaits the Calder's Toy Town champion. Weekly trophies have been provided by Spears Ford.

According to Graydon Calder, proprietor, it is not too late to register for the contest. There are eight nights of racing still to come. Racing starts at 7 p.m. sharp every Friday night through June 15. Contestants may register and practice at Calder's Toy Town anytime during store hours till May 21. Sponsors of the contest, the Ford Division of Ford Motor Company and Aurora Plastics Corp., are looking for the top miniature car racing driver in the country. The top driver will win an all-expense paid trip to New York and a 1962 Ford Thunderbird.

Winner of Friday's race at Calder's was Dick Stumbaugh, 15, 8371 Adams ave., L.G. He will race against seven other finalists for the L.G. top driver trophy June 15. The special modified class was won by Mike Lanham, 14, 8386 Golden ave., L.G. He will also compete June 15.

A father-son race will be held Friday at 7 p.m. with prizes going to the best family team. The public is invited to watch without charge.

## Saturday Bowling Battle Slated For Top Scorers

A real bowling battle will be in progress this Saturday at the Lemon Grove Bowlero starting at 3:30 p.m. Fighting over the two big beautiful trophies—one for a man and one for a woman—will be 24 bowlers of each sex.

They are the ones who qualified as best among the players in the Winter League at the Bowlero, the culmination of which is the "roll-off" event this Saturday.

The two "bowler of the year" awards will precede the beginning of a "bowler of the week"

tourney at the Bowlero. The new contest will run through summer.

Val Peterson's Citrus League just ran another successful season at the Bowlero. It was announced this week. The Bowlero said it was the best scoring league in Southern California and produced scores to prove it. High scratch score was Louis Markov Sheet Metal with 1006.

High three-game score was 2753, which was made by Le-Set Uniforms and Shirts. High individual game in the Citrus League was 287, by Jim Catlett. Mickey Seward topped the bowlers in the three-game series for men, with 647.

Liz Crane made high single game among the women with 257, and Carol Thompson, high three-game score with 598.

The Citrus League had 26 teams this season. Val Peterson welcomes applications for next season. He plans for 40 teams.
